Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a personal interview with Attorney Mark Johnson on December 19, 2003.

The specification has been amended as follows:

On page 1, line 9, the phrase -- , now abandoned -- has been inserted immediately after the word "1999".

In the claims:

Claim 2 has been canceled.

In claim 1, line 4 bridging line 6, the phrase "an polymeric amphiphile binding agent" has been replaced with the -- a cyclodextrin --.

In claim 11, line 4, the phrase "an polymeric amphiphile binding agent" has been replaced with the -- a cyclodextrin --.

In view of the above examiner's amendment, all outstanding objections and/or rejections have been withdrawn by the examiner. The examiner further acknowledges that applicant's response (pages 4 and 5, dated 10/14/03) together with the examiner's amendment would place claims 1, 4-5, 7-15, 17-18, and 20 in condition for allowance.
